

# Nursery Newsletter Part 6

## Wildlife Action Awards

### Task six - The completed Bug Hotel and fund raising.

The brother of one of our members of staff has cleverly recycled offcuts of wood to make bird shapes. The nursery children have decorated these and used them to make an attractive feature for the nursery garden. They will also be selling them to raise funds for the RSPB. The Bug Hotel is in full bloom and attracting wildlife already. We hope you have enjoyed reading about our work as much as we have enjoyed doing it. A big thank you to everybody who helped us.
