

Art activity

Pasta Fun

Flowers and rainbows

Home Learning

Materials needed:

- Tree model -Twigs, pot, stones or sand or soil.
- Coloured pasta (mix pasta with food colouring or paint)
- Card circles or paper plate/bowl
- PVA Glue

Pasta flowers

- Explore your coloured pasta, how many colours do you have, what are the colours?
- Choose which colour of pasta you want to use for your flower.
- Paint a blob of glue on your card, quite thick, and drop/place your pasta to create a petal or centre of your flower.
- Continue until you have completed your flower
- Remember to explore the textures and the sounds that can be created with your pasta. Above all have fun!

Summer tree model

- Collect some twigs while out walking.
- Fill a pot with stones or soil and stand your branch upright to look like a tree.
- You could make some smaller pasta flowers and when dry you could hang them on your tree.
- Your tree is blooming, summer has arrived!

- Why not try to make some other images?
- A funny face?
- A rainbow?
- The list is endless

Hope you have fun taking part and please send photos, we'd love to see them!
